COOKIE POLICY

This website uses cookies for the following purposes: to enable certain functions of the service, to provide analytics, to store user preferences, to enable advertisements delivery, including behavioural advertising.

Third-party cookies

In addition to our own cookies, we may also use various third-party's cookies to report usage statistics of the service, deliver advertisements on and through the service, and so on.

How to control and delete cookies through a browser

The ability to enable, disable or delete cookies can also be completed at the browser level. In order to do this a user can follow the instructions provided by a browser (usually located within the "Help", "Tools" or "Edit" facility). Disabling a cookie or category of cookie does not delete the cookie from the user's browser; the user will need to do this themselves from within the browser.

Please note, however, that if a user deletes cookies or refuses to accept them, the user might not be able to use all of the features this website offers, a user may not be able to store user preferences, and some of our pages might not display properly.
